

add_backslashes

```
graph LR; A[add_backslashes] --> B[allocate_content]; B --> C[string_copy];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'add_backslashes'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'allocate_content'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'string_copy'.
